Just got an email I would like to bring to your attention:

" Hello John,

Nice to make your acquaintance, I am the account manager for AML Bitcoin at Cloudflare.

I was hoping to have a chat with you about your service as I am having trouble getting a hold of someone within your organization.

We are now more than 5 months behind in payments and need to speak asap about resolution.

Please let me know if you have a chance to talk so that we can discuss the best path forward.

Thanks,

Aaron"
